## MANCHESTER'S GLOBAL REPUTATION CONTINUES TO ATTRACT MILLIONS EVERY YEAR.

First Street is a significant part of Manchester's story of regeneration and renewal.

As one of Manchester's fastest growing communities, First Street is already home to international arts and culture hub HOME, Junkyard Golf and a wide range of bars and restaurants, including Wood, Bunny Jackson's, Indian Tiffin Room and more.

Square Gardens plays a significant part completing the comprehensive mixed use masterplan - bringing living, working, leisure and culture together.

Keeping pace with a growing student population, Vita Group's first 'House of Social' concept with ground floor food hall, will welcome 576 students, in addition to the c1,000 that already call First Street home.

As Manchester's fast emerging business district, First Street leads the way in new sustainable workspace. From August 2024, remaining plots will deliver over 350,000 sq ft of net zero carbon workspace, bringing over 3,000 new workers to the area.
